Laid down mystery
Of life quite clear to me
The sparkling truth revealed
Soul satisfying

This treasure of life to bring
It gives me this passion to sing
I need You, I run
Into Your arms

Above the world
Oh, I'll go to You
A light in the darkness
You're shining Your heart in me

I promise, I promise
To eternity I live and die
To know You, to love You
For I found what I've been looking for

Well, I sense You more all along
This need in me to belong
Your winds of grace complete me
Spread me away

But Your love is peaceable, I know
Just look at me, does it show?

I long for the day
That I see You face to face

Above the world
Oh, I'll go to You
A light in the darkness
You're shining Your heart in me

I promise, I promise
To eternity I live and die
To know You, to love You
For I found what I've been looking for

I promise, I promise, yeah, yeah

Desire of all nations
We come
Strength of my life
You are shining Your heart in me

I promise, I promise
To eternity I live and I'm dying
To know You, to love You
For I found what I've been looking for

I promise, I promise
To eternity I live, I will die
To know You, to love You
For I found what I've been looking for
