"There Is Power"

Would you be free from your burden of sin
There's power in the blood power in the blood
Would you o'er evil a victory win
There's wonderfull power in the blood

There is power, power, wonder, working power
In the blood of the Lamb.
There is power, power, wonder working power
In the precious blood of lamb.

Would you be whiter much wither than snow
There's power in the blood power in the blood
Sin's stains are lost and its life giving flow
There's one flicker power in the blood

There is power, power, wonder, working power
In the blood of the Lamb.
There is power, power, wonder working power
In the precious blood of lamb.

Would you do service for Jesus your king
There's power in the blood power in the blood
Would you lift David his praises to sing
There's wonderfull power in the blood

There is power, power, wonder, working power
In the blood of the Lamb.
There is power, power, wonder working power
In the precious blood of lamb,
In the precious blood of lamb.
