[Verse 1:]

Freedom has come
Your Love found a way to my heart
Devotion reigns

Alive with your song
I'm living this anthem of grace
Forever reign

[Pre-Chorus:]

Faith resounds
Hope brings out
Your love will lead us home

[Chorus:]

We are your People
We live to worship
We live to Carry Your name
Making a way by Your Love
To move every mountain
We're living with healing and grace
We carry your name
Jesus

[Verse 2:]

God of the nations
Streets come to life with your Love
Let Heaven reign
God of salvation
Your Kingdom is coming again
We watch and pray
