Your people sing praises  
Let laughter fill the world  
You people sing praises  
Let love and faith be heard  
The power of death has been shattered  
And Jesus ever will reign  
So come on lift up a mighty voice  
'Til Jesus comes again

Your people sing praises  
Let laughter fill the world  
You people sing praises  
Let love and faith be heard  
The power of death has been shattered  
And Jesus ever will reign  
So come on lift up a mighty voice  
'Til Jesus comes again

We praises the Lord with our voices  
We praises the Lord with our hearts  
We praises the Lord with our strength  
And everything else that we've got  
We praises His Name with dancing  
We praises His Name with the drums  
So come on lift up Jesus' Name  
'Till the day he comes
