"Between Us"

Visit "[Between Us](#)" on MotoLyrics.com

I'm looking at you
You're looking at me
Between us it's oh, so easy to see
We were made for each other, girl
We were made for each other
Between us
Love has begun between us
Two hearts are one between us
Nothing can come between us
Whatever we do
Whenever we kiss
Between you and me it's not hit and miss
We were made for each other, girl
We were made for each other
Between us
Love has begun between us
Two hearts are one between us
Nothing can come between us

Between us
Love has begun between us
Two hearts are one between us
Nothing can come between us
Between us
Nothing can come between us
Between us
Nothing can come
Nothing can come between us
