"Can't Stand It"

Fill our hearts with concrete
Fill our minds with smoke
Can't see can't feel
Can't hope
We don't want it
We don't need it now
We can't live without it
Though we rot inside
We can still survive
Look them in the eye
And shout it
We don't want it
We don't need it now
We can't live without it
I can't stand it
You don't deserve it
At the end of the day you're still imperfect
It's ok
It's
It's ok
Brought up to look down on our lives
We know they're lies but it sticks inside
It's ok
It's ok
It's ok
I can't stand it you don't deserve it
I can't stand it
