I  
don't know why  
the world turns out to be  
the way  
it is  
as time goes by

Oh, I  
don't know why  
true love turns out to be  
the stuff  
between  
hello - and goodbye

Looking back  
with 20/20 hindsight  
we only tried to play our part  
When selfishness is state of the art  
you've just got to change the locks on your heart

No, I  
don't know why  
true love turns out to be  
the stuff  
between  
hello - and goodbye

Looking back  
with 20/20 hindsight  
we only did the best we could  
As green as any Norwegian Wood  
the acid test of fame we withstood

Now I  
don't know why  
the world turns out to be  
the way  
it is  
as time goes by

Oh, I

don't know why  
true love turns out to be  
the stuff  
between  
hello - and goodbye
