Easy Listening
I'm in that easy listening mode
Easy Listening
Why don't we do it in the
middle of the road?

Kick off your shoes
sit back, relaxez-vous
Tell me what more can
an old rocker do?
Easy listening
Easy listening

Easy listening
Never mind the world outside
Easy listening
Famine, war and genocide
Easy listening
Forget the looney on the loose
Easy listening
Rising crime and child abuse

Ignore the poisoned atmosphere
Open up another beer
The media feeds ya everyday
what to think and say

Kick off your shoes
sit back, relaxez-vous
relaxez-vous, relaxez-vous, relaxez-vous...
Tell me what more can
an old rocker do?
rocker do, rocker do...

Easy listening
Life could be a dream...
Easy listening
