Lost

Friends with me today
Friends with me, but not tomorrow
There is nothing left to say (because I lost them).
What did I do?
Lost a handful found a few
My hearts still close to you.
Hold me so tight.
Don't let me drown.
What's deep inside
I won't let go.
Stretching out today,
Grasping forth there's no tomorrow.
We're all gone our own ways.
What did I do?
Cut off what I mean to you,
But, at least I told the truth.
Hold me so tight.
Don't let me drown.
What's deep inside
I'm not afraid anymore.
There's no love for us all.
There's no place for my future
Nothing left, not at all
Nothing left I can't find it
I can see it's my fault.
How could I be so stupid?
I don't love anymore.
Drop me now 'cause I'm so damnâ€¦
Friends with me today,
Friends with me, but not tomorrow.
We've gone on our own ways (because I lost them).
What did I do?
Lost a handful, found a few
My hearts still close to you.
Hold me so tight
Don't let me drown
Let's go and die
I'm not afraid anymore.
There's no love for us all.
There's no place for my future

Nothing left, not at all
Nothing left I can't find it
I can see it's my fault.
How could I be so stupid?
I don't love anymore.
Drop me now 'cause I'm so damnâ€¦
There's no love for us all.
There's no place for my future
Nothing left, not at all
Nothing left I can't find it
I can see it's my fault.
How could I be so stupid?
I don't love anymore.
Drop me now 'cause I'm so damn lost.
