["Leaving Babylon" by Bad Brains]

Leaving this babylon leaving this babyon
It will not be too long, it will not be too long
Cause the children are starving and your money is
runnin'
Cause the children are starving and your money is
runnin'

I see your dollar, dollar dropped down below
And you ain't got no more to show,
Your gonna step right through that door
You aint' gonna go back no more

["Johnny Too Bad" by UB40]

Walking down the road
With a pistol at your waist
Johnny you're too bad Walking down the road
With a pistol at your waist
Johnny you're too bad
Cause your just rockin' non-stoppin' but what else can
you say

Because you're too bad
I said just rockin' non-stoppin' but what else can you
say

Because you're too bad
One of these day's
When the universe has gone,
Where you gonna run to? One of these day's
When the universe has gone,
Who you gonna run to?

I say your rockin' non-stoppin' but what else can you
say

Because you're too bad
Oh, johnny now your rockin' non-stoppin' but what else
can you say

Because you're too bad

["Top Rankin'" by Bob Marley]

They don't want to see us unite
All they want us to do is keep on fussing and fighting
They don't want to see us live together
All they want us to do is keep on killing one another
Top rankin', top rankin'
Are you skankin'? top rankin', top rankin'
Are you skankin'? i said are you skankin'?

They say the blood runs;
It runs through
And our hearts, heart of hearts divine
And John said them comin', ooh
From an ancient time
The brotherly love, the sisterly love
I feel this morning;
Brotherly love, the sisterly love
I feel this morning, this morning.
They don't want us live forever
All they want us to do is keep on runnin' and fighting
They don't want to see us live forever
All they want us to do is keep on killing one another
I say, darlin, are you skankin' now?
Are you skankin', skankin', skankin'
Are you skankin', skankin', skankin'
Are you skankin', skankin', skankin', yea
Are you skankin', skankin', skankin'
["Zimbabwe" by Bob Marley]
And in this judgment there is no partiality
So arm in arms, with arms
We will fight this little struggle
'cause that is the only way
We can overcome our little trouble
Brother you're wrong, you're right
You're wrong, you're right, you're so right
We'll have to fight, we'll have to fight
We'll have to fight, we'll have to fight
