"Walk Away"

Visit "[Walk Away](#)" on MotoLyrics.com

i hope your doing the same cause
you know its true, its how i play
i never run, i never hide
never laid down, lost my pride
that's what i said when she walked away
walk away
that's how you solve all of your problems
you can fuck with me but not today
cause i would rather try and solve them
walk away
no more sorrow, not tomorrow
only happiness today
you can hear when we play
