I don't wanna sing the same old songs again  
I ain't gonna wage the same old wars.  
Don't wanna break the same old promises  
Don't wanna see the same old sores.

It's easier to say it  
Harder still to execute,  
Each defines your own sense of divine,  
But i'm not gonna let it out,  
Till i find something better.

I don't wanna live this way  
Cuz it tears me away from you  
When i feel the hopelessness,  
I'm alone in a crowded room  
Every step i take,  
I keep walking the same old road,  
I gotta cut the chord,  
And keep digging till i can  
Find me something tangible.

White Lies,  
Gonna feel the same ol' failure,  
Don't wanna bleed the blues,  
Your gonna lose the same lover,  
Your gonna steer the same ol' suit.

It's easier to say it  
Harder still to execute,  
Each defines their own sense of divine,  
But i'm not gonna let it out,  
Till i find something better,

I don't wanna live this way,  
Because it tears me away from you,  
And when i feel the loneliness,  
I'm alone in a crowded room  
Every step i take,  
I keep walking the same old road,  
I gotta cut the chord,  
And keep digging till i can

Find me something tangible.

You said you'd find something better  
You said you'd find somebody better  
Now it's time to go and find your own way [4x]

I don't wanna live this way  
Cuz it tears me away from you  
When i feel the hopelessness,  
I'm alone in a crowded room  
Every step i take,  
I keep walking the same old road,  
I gotta cut the chord,  
And keep digging till i can  
Find me something tangible.
