Oh sittin' in a truck stop  
With my Cowboy Boots and my Guitar  
I've been livin' on a tip box  
It was meant for cigars

Long Way From Georgia  
Long Way From Georgia

Oh I'm out on the highway Yeah Yeah

I have no regrets  
'Cause I'm livin' my way  
Long coffee and cigarettes

Long Way From Georgia  
Long Way From Georgia

Oh wind this highway is my poem  
Oh through the night I ride on  
I just keep on rollin' on  
'Cause I'm a long way from home

Long Way From Georgia  
Long Way From Georgia

Oh sittin' in a truck stop  
And a waitress tells me  
Ah boy you got a good smile  
Might take you a long way  
Say boy you better make it count  
'Cause you're a long way from Georgia
