Sometimes I can't recall, what's left of me  
After my backs been peeled all off  
Man my past is always catching up with me  
But I'm tired of stepin' on memories and walkin' on  
If you could only see the best in me  
I wouldn't have to pick the guitar or write you a song  
But you can only be what you can see  
And I guess the heart don't always come with the soul  
I think' I'll go on and call my Mama  
Tell'er lovin' you never ever did ever drove me away  
Wasn't that I didn't wanna stick around  
Just I couldn't find the courage in the bottom of the  
bottle to stay  
Well I'll write my ole man a letter  
Well n tell'em that everything'll be OK  
Even if you can't give up on tha drinkin'  
Well I guess I couldn't neither and I'm still gonna love  
you anyways  
Well I'm'n call my sister out in Vegas  
Well n tell'er to roll the dice for me  
Man if you hap'n tahaven to roll you a seven  
Well I hope you can buy a perdy house out in LA  
This is the Best of Me  
This is the best of me
