Two days chasing me around
I go crazy when you're outside of my world
When you're outside of my world
No sounds singing me to sleep
I don't want the room to breathe
Just be with me
Just be with me

[Chorus]
I feel 40 kinds of sadness when you're gone
I feel the same thing always happens when you're gone
And I know you're just around the corner
But just around the corner is not enough
It's not enough

My eyes are waiting at the door
Just like every time before
Time flies so slow
Time flies so slow

[Chorus]
I feel 40 kinds of sadness when you're gone
I feel the same thing always happens when you're gone
And I know you're just around the corner
But just around the corner is not enough
It's not enough

It's not enough, I don't know why
It's not enough, I miss you all the time
And I know you kinda like it

[Chorus]
I feel... yeah
40 kinds of sadness oh when you're gone
I feel 40 kinds of sadness when you're gone
I feel the same thing always happens when you're gone
I know you're just around the corner
But just around the corner is not enough
(I feel)
Just around the corner is not enough
(I feel)

Just around the corner is not enough

I know just around the corner is not enough

I know just around the corner

It's not enough
