Break through
Last supper on the tired soul
The send to sleep
Anything to keep you
Locked in the cage of me
Mother Mary let to sleep
The waking rage for me
Wake me up
Filled the cup
Send my solemn shadow home
Fight the pain again
Wash away the sorrows of
An electric matchbox by
Love me do
Shoot maddening rainbows through
Maybe once if I am gone ou'll be free
You won't see me
Spin me down and
Spin me round again
Faces Faces
Hidden places
Shoot a paper cup
Can the cuddled corpses of the crowd

And sometimes you'll find a peace
Inside
I wish that I could see you
Past the muddled door
Roll that stone upon the ground
Until you find me
Colored slips of shore
That I walk upon

And maybe now you'll see me
Through the maddness of the crowd
And I'll smash it up and
Smash it down and
Whirl around the faces
That we knew
All for you
All for you
All for you
