If you just have faith  
To let me be the man that I am  
I'll always run back  
To show you what words never can

I don't want to be the one  
Just to love then lose

Let 'em fall baby fall  
Just like the rain washes it all  
If the tears will help you to heal  
All that is real  
All that is wrong  
Let 'em fall baby fall

If you'll trust that I'm gonna stay true  
Even when I'm gone  
You don't have to worry  
'cause I'll always be the man that you want

And I don't want to be the one  
Just to love then lose

Let 'em fall baby fall  
Just like the rain washes it all  
If the tears will help you to heal  
All that is real  
All that is wrong

As your world spins around  
Feet never touch the ground  
Always hurting inside  
Hiding behind the sun  
Waiting still for the love  
But it all seems so right

Fall  
Just like the rain washes it all  
If the tears will help you to heal  
All that is real  
All that is wrong

Let 'em fall baby fall

Just like the rain washes it all  
If the tears will help you to heal  
All that is real  
All that is wrong  
Let 'em fall baby fall
