I won't talk
I won't breathe
I won't move till you finally see
That you belong with me

You might think
I don't look
But deep inside in the corner of my mind
I'm attached to you

Soy dÃ©bil
Es verdad
Tengo miedo de lo que vendrÃ¡
Do you want me too
Cause my heart keeps falling faster

[chorus]
I've waited all my life to cross this line
To the only thing that's true
So I will not hide
It's time to try anything to be with you
All my life I've waited
This is true

De un lado al otro de la habitaciÃ³n
Yo sin saber que hacer
Tu como si no existiera yo

Soy dÃ©bil
Es verdad
Siento temor al saber el final
Como si fuÃ©ramos extraÃ±os
Do you even know you met me

[chorus]
I've waited all my life to cross this line
To the only thing that's true
So I will not hide
It's time to try anything to be with you
All my life I've waited
This is true

I know when I go
I'll be on my way to you

Yo te encontrarÃ©

[chorus]

I've waited all my life to cross this line
To the only thing that's true
So I will not hide
It's time to try anything to be with you
All my life I've waited
This is true
