Well I'm wanting to know you  
I sure want to be in your arms  
We'll fly away and I hope soon  
That this side of me is willing to be  
All of the things that I wanna see now  
Well I'm asking if you'll let me in  
To your world where I've never been

Cause in my life  
I let it all hang down  
I sure want to know you're awake  
Cause in my life  
I'll never touch the ground  
I sure wanna know it's all alright  
I sure wanna know it's all alright  
Cause it won't be long

Well it's gone any day now  
Well I'm hoping I'm wrong  
We'll fly away and I hope you  
That you can be strong  
Cause it won't be long  
'Til the day that  
I can't stand up in your arms  
Well I'm asking if you'll let me in  
To your world again

Cause in my life  
I let it all hang down  
I sure want to know you're awake  
Cause in my life  
I'll never touch the ground  
I sure wanna know it's all alright

When you're wondering now  
If you're on the right track  
Never know if  
You're gonna look back at all  
And you'll see me there  
And as you're fixing your life  
And what it can be  
Remember now to forget about me

Well hey  
Alright  
Well alright

Cause in my life  
I let it all hang down  
I sure want to know you're awake  
Cause in my life  
I'll never touch the ground  
I sure wanna know  
I sure wanna know  
I sure wanna know now  
Alright  
Well I  
I'll never know  
Cause in my life  
I wanna win  
Yeah in my life  
I wanna win now  
Hey c'mon

If you want anymore from me now  
Well it won't be long  
No it won't be long  
It won't be long now no  
And if you want anymore from me  
It won't be long
