Two days chasing me around  
I go crazy  
When you're outside of my world  
When you're outside of my world

No sounds singing me to sleep  
I don't want the room to breathe  
Just be with me  
Just be with me

(I)  
I feel forty kinds of sadness when you're gone  
(I)  
I feel the same thing always happens when you're gone  
And I know you're just around the corner  
Just around the corner is not enough  
It's not enough

My eyes are waiting at the door  
Just like every time before  
Time flies so slow  
Time flies so slow

(I)  
I feel forty kinds of sadness when you're gone  
(I)  
I feel the same thing always happens when you're gone  
And I know you're just around the corner  
Just around the corner is not enough  
Mmm, it's not enough

It's not enough, I don't know why  
(Ooh)  
It's not enough, I miss you all the time  
(Ooh)  
And I know you kinda like it  
(Aah)  
I feel yea, forty kinds of sadness ohh, when you're  
gone

(I)  
I feel forty kinds of sadness when you're gone

(I)  
I feel the same thing always happens when you're gone  
I know you're just around the corner  
Just around the corner is not enough

(I feel)  
Just around the corner is not enough  
(I feel)  
Just around the corner is not enough  
(I feel)  
I know just around the corner is not enough  
(I feel)  
I know just around the corner is not enough
