This time I'll  
Think of brighter days  
Where I'm falling deep  
Deep inside our story  
I'm counting on  
Something I can feel  
I won't fall asleep  
'Cause even if I'm hurting  
I'm waitin' on the one for me

It's a good day for me  
It's a good day to take a chance  
And let you in and see  
Exactly who I am  
And if you understand me  
And if you can roll with it  
I will be your man

Around me lies  
But no one seems to mind  
I can't change time  
For anyone to show me

That love is real  
You know I'll find a way  
I won't be scared

To let her in and love me  
Is there anyone in love with me

It's a good day for me  
It's a good day to take a chance  
And let you in and see  
Exactly who I am  
And if you understand me  
And if you can roll with it  
I will be your man

It's a good day for me  
It's a good day to take a chance  
And let you in and see  
Exactly who I am

And if you understand me  
And if you can roll with it  
And let you in and see  
Exactly who I am  
And if you understand me  
And if you can roll with it  
I will be your man
