### "Rise (The Dog Barks)"

Winding down, tying up  
In this waxed and empty box  
Twisted nights, drowned in wine  
Dropping shots in empty bars

Broken glass, moments past  
Hold now, the dog barks  
Broken windows, broken doors  
Broken chairs on broken floors

All these things remind me of you

I rise away, don't feel no pain  
'Cause you're with me now  
In time it seems a slower song  
It's a perfect sound

Sleep right through the day and we fade away  
You flow right through my veins  
Like a morning rain  
Like a morning rain, yeah

Down the stairs to neon rooms  
Blink eyes and cheap perfumes  
All these strangers getting strange  
Feeding off each other's pain

I crawl inside, inside my head  
Rusty springs and burning beds  
Frozen people, frozen lungs  
Frozen buildings block the sun

All these things remind me of you

I rise away, don't feel no pain  
'Cause you're with me now  
In time it seems a slower song  
It's a perfect sound

Sleep right through the day and we fade away

Flow right through my veins  
Like a morning rain  
Like a morning rain, yeah

Alone, my home, away from you  
Alone, my home, a wasted view  
Alone, my home, away from you

I rise away, don't feel no pain  
'Cause you're with me now  
In time it seems a slower song  
It's a perfect sound

Sleep right through the day and we fade away  
Flows right through my veins  
Like a morning rain  
Like a morning rain, yeah

Like a morning rain  
Like a morning rain, yeah  
Like a morning rain  
Like a morning rain  
Like a morning rain
