I wont talk
I wont breathe
I wont move till you finally see
That you belong with me

You might think I dont look
But deep inside
In the corner of my mind
Im attached to you
Im weak
Its true
Cuz im afraid to know the answer
Do you want me too?
Cuz my heart keeps falling faster

I've waited all my life
To cross this line
To the only thing thats true
So I will not hide
Its time to try
Anything to be with you
All my life I've waited
This is true

You dont know what you do
Everytime you walk into the room
Im afraid to move

Im weak
Its true
Im just scared to know the ending
Do you see me too?
Do you even know u met me?

I've waited all my life to cross this line
To the only thing thats true
So I will not hide
Its time to try anything to be with you
All my life I've waited

This is true

I know when I go ill be on my way to you
The way thats true

I've waited all my life to cross this line
To the only thing thats true
So I will not hide
Its time to try anything to be with you
All my life I've waited

This is true
