"Going West"

I've been thinking bout going West
Aint got a ticket but a worn out vest
By then I'll have scars on my chest
I'll be running naked in the sun

I've been thinking bout going west
I hear San Fran is where it's best.
I'll get my T shot so I can run

And I'm alright I'm doing just fine
Taking on the open road one step at a time
Oh, the journey's so much to see
Hop on the road with me

I'm in love with a girl who says she can't love me back
no more
She can't handle change
And I'm a changing man
She moved away one day
Got a house and got married
She still comes around
She won't put me down

And I'm alright I'm doing just fine
Taking on the open road one step at a time
Oh, the journey's so much to see
Hop on the road with me

2 Dollars a ride man, 2 dollars a ride
Meet the ghostmen on the top of the hill and joy ride
back to LA
The wind brushing our hair
And the splendid kick of going no where
2 Dollars a ride man,
We can go anywhere!

And I'm alright I'm doing just fine
Taking on the open road one step at a time
Oh, the journey's so much to see
Hop on the road with me
