(Verse 1)

I've been cooped up all week.
I need a vacation
Far away from this everyday life

Ain't got no plans
For the weekend
I can do whatever I want

I'll call up the boys
And see what they're doin'
It's gonna be one hell of a time
Let's go huntin' or fishin'
Drinkin' or somethin'
Anything to free up my mind
I don't really care about
All of life's lessons
I just need to get away for awhile
Let it go

There's nothing like
Just being with the guys
Sittin' round watching time pass us by

It's not that we're lazy
It's not that we're boring
We're just easily amused
By whatever comes our way
Let's go huntin' or fishin'
Drinkin' or somethin'
Anything to free up my mind
I don't really care about
All of life's lessons
I just need to get away for awhile
Let it go

Let's go huntin' or fishin'
Drinkin' or somethin'
Anything to free up my mind
I don't really care about
All of life's lessons

I just need to get away for awhile
