Who-oh

Hey girl, I thought you'd like to know
That you were looking good today
It's nothing special though, cause everyday's the same
Call me crazy, but I've got my eye on you
Cause you take my breath away
I don't know how I make it through the day
Without you

But I'm trying everything I can (trying everything I can)
To get a chance to hold your hand
Cause I think, that you could be the one
To make me fall in love

Cause I don't know of anyone
As beautiful as you
No I don't know of anyone
As beautiful as you (yeah)

Who-oh

I heard a rumor that you were looking at me
Well I think it's kind of sweet
Cause I know you've got a thing for me
And I like it (and you that I like it)
And hey, if you've got something to say don't be afraid
Cause I'll probably say the same
If I had the courage to talk to you

And I'm trying everything I can (trying everything I can)
To get a chance to hold your hand
Cause I think, that you could be the one
To make me fall in love

Cause I don't know of anyone
As beautiful as you
No I don't know of anyone
As beautiful as you

No I don't know of anyone
As beautiful as you

No I don't know of anyone (no I don't know of anyone)
As beautiful as you (as beautiful as you)

No I don't know of anyone (no I don't know of anyone)
As beautiful as you (no I don't know of anyone)
No I don't know of anyone (no I don't know of anyone)
As beautiful as you (as beautiful as you)

(Yeah)
