Love, life, should be mine to give you  
Love, life, should be mine to take

Seal the windows turn on the gas  
And empty my wrists in the bath  
Jump to see if I can fly  
I'll be with you my love, I'll be with you my child  
I'm chokin' on my pride a belly full of suicide

Life, Death, I'm not frightened of you  
Life, Death, I bid my welcome to you  
Take a swim in two ton shoes  
Watch my swing from the noose  
Down a handful of sleep  
I'll be with you my love, I'll be with you my child

I'm gaggin' on my pride, A belly full of suicide  
For love or life  
You could be my cosmic bride
