I want you to think about it, To think about the things
that he said
I want you to live without it, To breathe without the
bruises on your head
I want you to sleep without it, To sleep without the
demon in your bed
I want you to live without it, To breathe without it,
Without a doubt
Gotta run, Gotta run, Got to getaway
Gotta run, Gotta run, Get you somewhere safe
Gotta run, Gotta gotta getaway
Gotta run away, Gotta getaway
Don't want you to think about it, To think about the
things that he did
Don't want you to think about it, Forget about it, Without
a doubt
I want you to think about yourself, Gotta get you out of
your
Prison cell, There's got to be some other way, Gotta
getaway
Get yourself out of your fuckin' menagerie Ah yeah,
Gotta getaway
I want you to think about it, To think about think about
yourself
I want you to get out of it, Get the fuck out of your
spousal hell
