So you wanna borrow heavy, you train in vain
You're like a last song lost yeah
So you wanna be like your mates, So you disintegrate
DESTROYREBUILDDESTROYREBUILDDESTROY
You get the first sip of the last full glass of
Nothing I'd say
And boy tribal death Isn't glamorous
Dead end mosaic, I'd say
So you wanna borrow heavy, you train in vain
You're like a last song lost yeah
So you wanna be like your mates
So you disintegrate
DESTROYREBUILDDESTROYREBUILDDESTROY
You get the first sip of the last full glass of
Nothing I'd say
And bad dreams, With Shakespeare craft
Hero worship, Never lasts
