If It Wasn't For Her

(Written by J. L. Wallace / Terry Skinner)

You wonder if I ever think about her
Baby I won't lie, I do sometimes
But honey all the things that I remember
Are not the kind of thoughts you have in mind
It was just a blessing in disguise
When she said goodbye

Chorus:

If it wasn't for her, I wouldn't have you
I would never have known one could make love feel
The way you do
If she'd have been faithful
If she had've been true
If it wasn't for her, I wouldn't have you
I tried to hold it all together
But it's hard to play a one man game
That kind of love won't last forever
Now I'm kinda glad she never changed
If we had've worked it out somehow
You wouldn't be here now

Chorus:

If it wasn't for her, I wouldn't have you
I would never have known one could make love feel
The way you do
If she'd have been faithful
If she had've been true
If it wasn't for her, I wouldn't have you
If it wasn't for her, I wouldn't have you
I would never have known one could make love feel
The way you do
If she'd have been faithful
If she had've been true
If it wasn't for her, I wouldn't have you
If it wasn't for her, I wouldn't have you
Girl, I wouldn't have you
Whoa, wouldn't have you, baby
So glad to have you
