When Mama Cried  
( Written by Daron Norwood / Wayne Perry )

I was standing in the hall when they called the doctor in  
Almost scared me half to death  
When they said "It's a boy again"  
I walked in just in time to see them lay him by her side  
And when she looked into my newborn brother's eyes  
Mama cried  
When I was just a teenage boy a preacher man stopped  
by  
He asked me if I knew the Lord  
Said "If you don't, then tell me why"  
I gave my heart to God that day, and then I was  
baptized  
And when I stood up at church to testify  
Oh, Mama cried  
Chorus:  
When Mama cried  
You could feel the love she felt down deep inside  
Through the good times and the bad times of my life  
Oh you could see the love she had in her eyes  
When Mama cried  
T.H.S. graduation day in 1985  
Standing in the high school gym decorated blue and  
white  
And when they called my name out loud  
You'd thought someone had died  
'Cause when we sang the Alma Mater one last time  
Oh Mama cried  
Dressed up in our Sunday best, the family gathered  
'round  
Me and brother standing there with our heads bowed  
down  
Flowers on the alter and a lady dressed in white  
And when the preacher said "Son you can kiss your  
bride"  
Sweet Mama cried  
Chorus:  
When Mama cried  
You could feel the love she felt down deep inside  
Through the good times and the bad times of my life

Oh you could see the love she had in her eyes  
When Mama cried  
When Mama cried
