Take me high above the ground
Up above the city lights
It's better this way round
And please don't let me down
I'm Closer than I've ever been
I believe it's coming down
This old scars, this old guitar
Oh oh oh ohhh...
We might move slow
But we'll go far

CHORUS:

We going back to the ocean
Back to where I'm from
Cuz every time I try to forget her
I just can't move on
Cuz when I felt her heart, it's when I felt at home

And we are up the ground
How u been I never been
Never come back down
Just lose me in the sound now
Cuz I know know other ways
I believe it's coming down
This old scars, this old guitar
Oh oh oh ohhh...
We might move slow
But we'll go far

CHORUS:

We going back to the ocean
Back to where I'm from
Cuz every time I try to forget her
I just can't move on
Cuz when I felt her Heart, it's when I felt at home

BRIDGE:

Ohhhhh ohhh ohhhh... 4x
(Cuz when I felt her heart, it's when I felt at home)
(Cuz when I felt her heart, I never felt alone...)

CHORUS:

I'm going back to the ocean
Back to where I'm from
Cuz every time I try to forget her
I just can't move on
Cuz when I felt her heart, it's when I felt at home

ENDING:

Ohhhhh ohhh ohhhh... 4x
(Cuz when I felt her heart, it's when I felt at home)
(Cuz when I felt her heart, I never felt alone...)
