This time
In control
I do it my way
I unfold
Spread the news
Around the globe
Every city
Let them know

I got a little feeling
Bring it to me
1, 2, 3 Here I go, Here I go
Please don't mind
If I bust a little flo
I'm so excited, Carnival

Topp'n the charts
How I do it
One hit wonder, No
Let me prove it
Show u how I do it (do it)
Cause I think tonight is about to be a
Soldout Show
U betta be ready
Cus tonight is a big top party
U betta be ready
And welcome all of you
To the Carnival

It's like a carnival
We get down
Here we go
All out, round and round
Bright lights here we are
At the carnival
Carnival (we at. we at. we at at the)
Carnival

You in the spotlight
Make a Move
Let the beat control

Let me see u move to the beat now
Let me see u move to the beat now

This time
I Unfold
Let the music
Take control
Move to the beat now
Here I go
We get a little loose now
In the mode

I got a little feeling
Bring it to me
1, 2, 3 Here I go, Here I go
Please don't mind
If I bust a little flo
I'm so excited, Carnival

Topp'n the charts

Clowns dressed up
Everybody all around
