(Flo)

So I pick a puakinikini  
For my pretty wahine  
I planed a day for me and her  
To cruise the island  
I plan a picnic, On a sandy beach  
I've got a plan, I've got to make my move when I'm  
ready

(Verse One)

Does it matter if I write you a love song  
Does it matter if I don't  
Cause I remember when we first met  
In the beginning and everybody talking on how we  
wouldn't last,  
Woh oh oh Puppy love, Puppy love,  
Is what they said  
We were to young, to even know what love was all  
about

And now I'm standing here,  
We standing here face to face  
Ready to say, that I want to be with you  
Forever, I'm ready to say I do,  
So take the ring, I'll be your man

(Chorus)

So if you ready, only if you ready  
I'll give you my all, my heart  
Til death do us part, baby  
Only if you ready, you are the only one

(Verse Two)

Does it matter if I write you a love song  
Does it matter if I don't,  
Would you like a dozen red roses, kisses,  
Love you in the morning (baby)  
Love you in the evening, Oh  
You are my love, my love, woh  
You bring a smile to my face everytime  
Your laughter and joy how I adore

And now I'm standing here,  
We standing here face to face  
Ready to say, that I want to be with you  
Forever, Oh baby I love you,  
I love you, I do...

(Chorus)

So if you ready, only if you ready  
I'll give you my all, my heart  
Til death do us part, baby  
Only if you ready, you are the only one
