Every morning when I wake up
I turn on the tv
And it's killing me to see
All the bigotry,
The dying of all innocence
I don't understand,
And everybody tells me
Lend a hand

Some people go under
Some people go over
So tell what, am I to do
Some people are weaker
Some people are stronger
So tell me what you plan to do

(Chorus)
I aint no victim for the other
I can't be no victim for the other
I am your ordinary lover
No victim for the other
So tell me what you gonna do

Every morning when I wake up
I turn on the tv
Wishing it was a dream
All the bigotry
The dying of all innocence
I don't understand
And everybody tells me
I'm the man

Some people go under
Some people go over
So tell me what, am I to do
There's people who's weaker
There's people who's stronger
Now tell me what you plan to do

(Chorus)
I aint no victim for the other

I can't be no victim for the other
I am your ordinary lover
No victim for the other
So tell me what you gonna do

(Bridge)

Why you crying

Why so sad

Why the tears falling down

Your a beauty queen all around

No more sadness, I don't want to see you cry

So let me help you dry your eyes

This I swear is true,

I'm sticking on my word

No more crying, No more crying, No more crying
