Not one thing do I want more
than only to love you, lord
I just wanna please you, I want
you to know, I am yours

This one thing my heart longs for
to be closer to you lord, I just wanna
please you and I want you to know, I am yours

Oh.....
I am yours
Oh.....
I am yours

I am yours, I am yours
everything I am, everything I have
I am yours, I am yours
my heart and soul, my mind and strength
I am yours, I am yours
Everything I am, everything I have
I am yours, I am yours
my heart and soul, my mind and strength
(repeat)
I am yours, lord
