I messed up my little world
Broke Your heart and about lost my mind
So far from You and so far gone
But Your love was there for me to find

O You just took ahold of me
And my tears were flowing freely
But Your joy came in the morning
And You blessed me
O You blessed me
You could have shunned me
But You blessed me

Now when I'm running out of rope
With less of me there's more of You
I worship You my only hope
'Cause You're dear to me and I belong to You

O You just took ahold of me
And now I'm living freely
'Cause You're joy comes in the morning
And You bless me
You bless me
You bless me

Your goodness led me to repentance
I fell down on my knees
Instead of judgement You gave me mercy
Now I am living in Your presence
Your love just flows so free
And Lord You take good care of me

And You bless me
You bless me
You bless me
O You bless me
