Face down in my last mistake amazing grace won't
you save me this time?
Wondering who I am, and who I've been this year.
To get back on track I need more than this old stack of
quarters.
Empty promises are all I need to here.

And I'm wondering where you are.
And I'm wondering where you are.

Lady luck, seems like you're back to bother me.
Are you here for love, or to pick up all of the debris?

Or just to tell me what to be.

Stunned and perplexed, I'm not looking for sex I'm
just looking for company.
I think you'll like who I'll be this year.
As the clock strikes twelve I struggle to find, to find a
resolution.
Maybe I'll leave perhaps I'll disappear.

And I'm wondering where you are.
Girl I'm wondering where you are.
Yes I'm wondering where you are.
