When you cry be sure to dry your eyes
'Cause better days are sure to come
And when you smile be sure to smile wide
And don't let them know that they have won

And when you walk, walk with pride
Don't show the hurt inside
Because the pain will soon be gone

And when you dream, dream big
As big as the ocean blue
'Cause when you dream it might come true
When you dream, dream big

And when you laugh be sure to laugh out loud
'Cause it will carry all your cares away
And when you see, see the beauty
All around and in yourself, it will help you feel okay

And when you pray, pray for strength
To help you carry on
When the troubles come in your way

And when you dream, dream big
As big as the ocean blue
'Cause when you dream it might come true
And when you dream, dream big

Dream big, dream big

And when you laugh be sure to laugh out loud
'Cause it will carry all your cares away
And when you see, see the beauty

All around and in yourself and it will help you feel okay
And when you pray, pray for strength to
Help to carry on when the troubles come your way

When you dream, dream big
As big as the ocean blue
'Cause when you dream it might come true
When you dream, dream big
