Never lie I keep it all tru
All of my grey skies
I be painting them blu
I tell em respekt the red
Keep it Damu
N this if for my haters
If only ya really knew
If only ya really knew
Only ya really knew
If only ya really knew
Knew knew

Thought that I was over
What was yall thinking
Promoters tryna book me
Sellular is blinking
The pen still leaking
Is never out of ink
Tryna do it big
Making sure I never shrink so
Like a Q.B. I just let it pass
Starring in a movie
I'm just tryna outkast
No andre 3k
I'm tryna out last
Like a legendary rapper
That was better in his past
Yea I just kontinue my reign
They tell me boy u not playing
This is way more than a game
Add a lil flavor man
Ya taste so plain
Still looking for my kranium
Out of the stadium flow
Loko doing things
Yu aint use tah
Girl from the islands
Kall her lil saint lusha
Sitting real high
Tell me why I need a booster
Tru to this shit
I would never ever fluke ya

Never lie I keep it all tru
All of my grey skies
I be painting them blu
I tell em respekt the red
Keep it Damu
N this if for my haters
If only ya really knew
If only ya really knew
Only ya really knew
If only ya really knew
Knew knew
