I, I ooh I
I'm sorry
So sorry
Baby

Ooh baby baby baby baby baby

Girl I ain't nothing but a low down fornicating thug
From one night stands to menage a trois
Girl I done done it all
But out of all the girls I vowed that I would never do you
wrong
But as hard as I try I can't seem to do right

And I know you're sick of all them chicks calling the crib
at night
And I know you're sick of your intuition telling you I've
lied
And I know you're tired of being sick and sick of being
tired
I couldn't cover my dirt
So for whatever it's worth...

This is my sorry ass apology
I took your love for granted
So selfish just doing me
Now I feel like oh oh
Now you feel like oh oh oh
This is my sorry ass apology

How can I come close to words to help me make things
right
You knew I was no good when you first met me but you
still gave me a try
You were so understanding
I never could imagine being apart
Now I shattered your heart

And I know you're sick of all them chicks calling the crib
at night
And I know you're sick of your intuition telling you I've
lied

And I know you're tired of being sick and sick of being
tired
I couldn't cover my dirt
But for whatever it's worth...

This is my sorry ass apology
I took your love for granted
So selfish just doing me
Now I feel like oh oh
Now you feel like oh oh oh
This is my sorry ass apology

You said I always thought
That I was never wrong
And maybe you were right
After all the things I've done
But baby I'm prepared
After all that I did
Oh baby **I repent* for all I ever did to you

This is my sorry ass apology
I took your love for granted
So selfish just doing me
Now I feel like oh oh
Now you feel like oh oh oh
This is my sorry ass apology

This is my sorry ass apology
I took your love for granted
So selfish just doing me
Now I feel like oh oh
Now you feel like oh oh oh
This is my sorry ass apology

I I ooh I
I'm sorry...
