Ahhh nooo

We've had our ups and downs, uhh

But you've made it clear now

We've been through our ups and downs

But we've never stayed down before

Lately you've been actin strange

Just like I don't know you no more

And I'll be a liar if I

Was to say that I sleep

Through the night without wakin up

You've made your bed so I guess

You will leave, it'll rest on your own

Girl on your own

(2x)

We've run out of love (4x)

It's so good, cause the grass laid it was greener babe

(2x)

It's a thin line between love and hate

Girl you crossed it a long time ago

We barely get on

Can't be mistaken (?)

Space's far too long on his own

And I'll be a liar if I

Was to say that I sleep

Through the night without wakin up

You've made your bed so I guess

You will leave, it'll rest on your own

Girl on your own

(2x)

We've run out of love (4x)

It's so good, cause the grass laid it was greener babe

(2x)

Oh it's a shame girl

We didn't just work this whole thing up

Now I'm sittin around and missin all what we had

When we were floatin

Oh it's a shame girl
We didn't just work this whole thing up
Now I'm sittin around and missin all what we had
And now I'm chokin, chokin, chokin

(4x)
We've run out of love (4x)
It's so good, cause the grass laid it was greener babe
(2x)

Things will never be the same, uhhh no
Things will never be the same...
