Aaahhhh

Aahhhh

What ya doing to me, got my hand on my mouth thinkin
how the hell did she, get into those jeans and, can I get
you out of those jeans and I can tell by the way that she
looks at me, she's planning on leaving me, on the low
and come creep with me, ay, somebody raise ya glass
if you think that your in love, coz out of all the other
girls in the club you about to trut, now I don't mean to
rude but girl... u need to touch me in those places that
you call sacred, so tell me what it's gonna be,

You know that I've got it, I know that you need it, u no
that I want it, see shorty's got it bad tonight, you make
me say, you know that I want it, you no that I need it,
you know that I've got it, see shorty's got it bad to
night, you make me say,

Oohh ohhh ohhh ohhh,
Shorty's got it bad for me, oh oh oh ohh ohhh,
And it's damn right plain to see, oh ohhh ohh ohhhh,
that shorty's got it bad for me, ohh ohhh ohhh ohhh,
and it's standing right by u I see ya baby,

Now I'm back at the yard, and I'm still spinning it round
in da yard, spinning round a little more, and we can do
the ockey cokey, if that turns you on, I aint here to
mess about, but the idea of you on top sound right,
and I've seen a lot of girls, but they don't compare to
that way that you bite, oh,
Somebody raise ya glass if you think that your in love,
coz out of all the other girls in the club you about to
trut, now I don't mean to rude but girl... I need to touch
you in those places that you call sacred, I love the way
ya bounce for me,

You know that I've got it, I know that you need it, u no
that I want it, see shorty's got it bad tonight, you make
me say, you know that I want it, you no that I need it,
you know that I've got it, see shorty's got it bad to
night, you make me say,

Oohh ohhh ohhh ohhh,
Shorty's got the baddest thing youve seen, oh oh oh
ohh ohhh,
Shorty's got it bad for me, oh ohhh ohh ohhhh, hey
shorty, ohh ohhh ohhh ohhh, I love the way you bounce
for me, now take the lead, if you take my hand, take
you through wonderland now, only if you need,
security, I hold the key, baby I'll set you free, hey,

Ohh ohh ohh ohh ohhh, shorty's got the baddest thing
youve seen, oh oh oh ohh ohhh,
Shorty's got it bad for me,

You know that I've got it, I know that you need it, u no
that I want it, see shorty's got it bad tonight, you make
me say, you know that I want it, you no that I need it,
you know that I've got it, see shorty's got it bad to night
