I've Never Seen...  
(featuring Xavier Naidoo)

[Intro: RZA]  
You know they say  
In every man's life, there comes a time  
When you get struck by the arrow of cupid  
By the love of God, or the beauty of a woman  
Sometimes this love, brings thunder into your life  
And it brings the storm, sing about it

[Xavier Naidoo]  
There was once a love in this  
Love is more than just a kiss  
Will we take you to that step  
Will we do more than just connect  
And will you, bring the thunder in my life  
And the fire in my eyes  
Cause then there, will be days of pleasure when  
Everything far will be so near

[Hook: Xavier Naidoo (woman)]  
I have never felt thunder (thunder)  
And lighting (lightning) like this  
I have never been struck by (struck by)  
A wonder (a wonder) like this

[Xavier Naidoo]  
There aren't days where I can, stop talking about you  
There aren't days I can't stop, saying your name  
And I'm looking for ways in never, to part from you, ha-  
ha  
And everything change and you, still stayed the same

[Chorus 4X: Xavier Naidoo]  
I've never seen, and there's never been  
Anything, with the beauty of you

[RZA]  
Yo, yo, yo  
Aiyo, shorty, I've never met someone so beautiful

From your hair follicle to your finger nail cuticle  
Struck by the arrow of cupid, this love is deep rooted  
Like someone, took my heart sampled it and looped it  
To a song that's endless, passion brings the tempest  
I'll slay a thousand dragons to save my little princess  
A walking gift from God, you are my shining star  
The diamonds and gold that most men be mining for

[Xavier Naidoo]

Days that we shared our light treasures  
The treasure light fire is to mankind-ac
