Album: Rza As Bobby Digital In Stereo C'mon bobby,
turn off that loud shit Damn, i wanna hear some slow
shit that's gonna relax you You know, a nigga,
knahmsayin Goin through all that shit in the streets n
shit The hip-hop shit, only shit keep a nigga mind in I
hear you, but it's all about me and you right now Word
Just take off your shirt Cause i wanna massage your
back and your shoulders My little buttercup,
yaknahmean? You a buttercup girl Yeah Oh is that
right? Well, i got love jones for you Word, tell me about
it Chorus: angel cake Love jones, i got a love jones I got
a love jones.. for you (repeat 2x) Yo girl you shinin like
a brand new spankin black glock
