[RZA]

Aiyo, I wanna dedicate this song right here to O-Ren
Ishii

Half Chinese/Half Japane-see, Half American and yo
Oh what a specie, a feminine perfection

She got the sinister cat eyes and little freckles on her
complexion

Cheaper than Yakuza, but she's wicked like Medusa
And she got Crazy 88 killers that'll slice right through
ya

Quick to chop a head off then wipe the blood off
A long range sniper shot she bust, never let a dud off
You got a minute to pray and a second to die
You can see the image of the devil reflectin' inside her
eye

But since she was a little girl, yo, she never would cry
She seen so much tragedy, let me explain to you why
She grew up on the military base, where she had to
face

The brutality of her mother and her father being
erased

The blood drops from her tear drops, on her face you
see the smear spots
