[Intro: ??? (RZA)]

Yeah son, 36 dirty

(Smoked out.. oh.. smokin.. smokin)

Oh, yeah man, It's Not a Game son

Yo Ra man (Smokin) Yo Ra man, bring it back

We gotta bring them ten of them, nah!msayin?

And don't forget that Remy with the.. (Smokin) that

Henny, knowlmean?

And that big booty bitches with it ripped off

With the jiggles on, knowl'msayin?

Yeah bring some big women and smoke it

Get high over here, knowl'msayin? (Smokin)

Straight like that baby

Let them niggaz know what's up Ra

[RZA]

BZZZZ..

Killa Bee will sting, blitz from the sticky green

I had the chocolate thai mixed with the G-13

From the supercali-fragalistic twisted

Throat dry as brownies, I had to sip a Mystic

Called up Johnny Blaze 'cause I know he like to smoke

He said for migraine headaches weed be the anti-dote

Brown bags got more seeds than a cantaloupe

Northern Lights have you runnin like wild antelopes

Seen through a microscope, crystallized T.H.C.

I mix mine with the Digi soaked in minty leaf

And I puff.. puff and I smoke the smoke

{\*coughs three times\*} ..but I didn't choke

[Timbo King]

Blaze up, and let's smoke 'til we hazed up

What you drinkin? Lemonade or Henny straight up?

Super-high motherfucker, nigga, Wake Up

And cop a bag of that good shit

Eh-yo, dip that shit, nigga, one pull and pass

Smoke 'til ya lungs collapse and hit ya ass

'Dro, evergreen, ever seen seeds?

No, you never seen trees like these  
Budded, with the crystal studded  
I'm blunted with the pistol, shut it  
Keep smokin.. {\*inhales\*} super-high nigga  
I'm whino real, fifty sack of that good shit  
From the hood shit  
Got the Remy on my side 'til death do us  
Eyes low, breath smellin like hydro  
I'm high yo, up in the Tahoe bumpin Faith  
Keep gats like G's son, just in case  
Blackjack Las Vegas, we puff God shivegas  
High outta my mind, forgot what today is  
It's Bo King blunted, chokin on the Arizona  
Smoke scream effects, smell the green marijuana  
{\*inhales\*}

[Outro: ??? (Timbo King)]
