Born in a corporate dungeon
Where people are cheated of life
I knew i could never stay home
No.

As you lie in the dark
With your pink dress on
You look risky
Lovely
Risky
Lovely.

Child of the whispering skies.

Risky
That's your name
Risky
Unashamed
Risky
Show your style
Risky
Love's on trial
You make me feel
That this heart is real
When you hold me
Love me
Hold me
Love me

Girl with the scream in her eyes

Risky
That's your name
Risky
Unashamed
Risky

Show your style

Risky

Love's on trial

People fall apart all the time

I've been hit enough to know why

Climb to this point

Move on

Climb to this point

Move on

Career, career

Acquire, acquire

But what is life without a heart?

There's standing room only

Somebody better tell the truth.

Proceed by your own risk

Risky

That's your name

Risky

Unashamed

Risky

Show your style

Risky

Love's on trial

Why feel so sad

Let your heart be glad

Love is risky

Lovely

Risky

Lovely

Child of the whispering skies

Born in a corporate dungeon

Where people are cheated of life

I knew i could never stay home.

Risky love

Risky love

Risky love

Sweet love.

Risky love

Risky love
Give me love
Sweet love
Risky love
Risky love
