DJ got the party starting this no end inside  
Everybodys movin'  
To the rytm' that's inside  
Its a crazy world, but tonights the right situation  
Don't be left behind

I can feel the music going through me everywhere  
Ain't no destination baby, we don't even care  
There's a place to be if you need the right education  
Let it take you there

Its gone with the magic baby, but I can see it there in  
your eyes  
(I can see there in your eyes)  
There's no time for waiting  
Right there on the dance floor is where you've got to let  
it go

Don't Stop Movin'  
Can you feel the music  
DJ's got us going around, round  
Don't Stop Groovin'  
Find your own way to it  
Listen to the music  
Taking you to places that you've never been before  
baby now

Livin' up times and the moment all those feelings in the  
air  
Don't know where we're goin baby, we don't even care  
Ain't no mystery just use your imagination  
Let it take you there

Its gone with the magic baby, but I can see it there in  
your eyes  
(I can see there in your eyes)  
There's no time for waiting  
Right there on the dance floor is where you've got to let  
it go

Don't Stop Movin'  
Can you feel the music

DJ's got us going around, round  
Don't Stop Groovin'  
Find your own way to it  
Listen to the music  
Taking you to places that you've never been before  
baby now

Forget about your fears tonight  
Listen to your heart and just touch the sky  
No need to reason why  
Just listen to the sound  
Let it make you come alive

Don't Stop Movin'  
Can you feel the music  
DJ's got us going around, round (Don't Stop Movin')  
Don't Stop Groovin'  
Find your own way to it  
Listen to the music  
Yeah Yeah Yeah

[Chorus to fade]
