10:30 one more Friday night
I got my space so I won't be getting heavy anymore
Bring on the one to save me
To you it might sound crazy
Way down inside my heart
I'm drowning

I'm in too deep (in too deep, too deep, alright)
Let's take it easy, cool it down (in too deep, gotta hold
it back somehow)
Can't help the way I'm feeling (in too deep, too deep,
although)
I'm trying not to let it show (in too deep, I can't let you
go)

I wait to find you by my side (oh yeah, you're freakin
me again now)
How much more can I take this (babe, I gave you
everything, yeah)
Bring on the one to save me
To you it might sound crazy
Way down inside my heart
I know

I'm in too deep (in too deep, too deep, alright)
Let's take it easy, cool it down (in too deep, gotta hold
it back somehow)
Can't help the way I'm feeling (in too deep, too deep,
although)
I'm trying not to let it show (in too deep, I can't let you
go)

Everytime I let you know (well)
Gotta let the feeling flow (ooh)
Gotta let it fly by (oh)

(Too deep, too deep)
(Too deep, too deep)
Can't help the way I'm feeling (in too deep, too deep,
although)
I'm trying not to let it show (in too deep, I can't let you
go)

In too deep, too deep
In too deep, too deep
In too deep, too deep
